

## INSTRUCTIONS FOR FILING FOR A SIGN REVIEW

A Sign Review application must be accompanied by the items listed below:

### 1. Filing Fee:

Type of Request	Fee
<b>Sign Permit Clearance (SPC)</b> – for wall signs and hanging signs (except for office building wall signs and signs that are not interior illuminated)	\$69.23 per sign
<b>Sign Administrative Review (SAR)</b> – for office wall signs, detached signs (not including freeway bonus and reader board signs), wall signs with building area bonus, residential identification signs, and business name bonus signs	\$591.09 per sign
<b>Sign Criteria Review (SCR)</b> – for the coordination of signs on the same site; required for sites with two (2) or more enclosed tenant spaces	\$1,464.41 per SCR

- Application:** The attached form must be completed as indicated.
- Owner's Approval:** All signs must have approval by the owner or their representative. This could be done in the form of an attached letter or an authorized signature on a copy of the sign plans.
- Site Plan:** [2 physical 11"x17" sets required] The site plan must include: the location of the sign(s), the number of proposed signs, the location of the building in relation to the street and the parking lot, and the distance between the sign and any driveways or sidewalks (if applicable).
- Elevation Plans:** [2 physical 11"x17" sets required, 1 of which in color] The elevation plan must include: the dimensions and area of each proposed sign, the length of the storefront, the proposed colors of the sign, the location of the proposed sign, the type of material the sign is to be constructed of, and how the sign is illuminated.
- Digital Plan:** A PDF of the Site Plan and Elevation must be provided on a Flash Drive.

**NOTE:** An **SPC** may be approved over the counter if there is a Sign Criteria approved for that center. Otherwise, please allow up to five (5) business days for processing. Please allow up to ten (10) business days for processing an **SAR** sign. Please allow up to thirty (30) business days for processing an **SCR**.
